

***The Invention of
Harmony***

Pitch by Priscilla Lopez

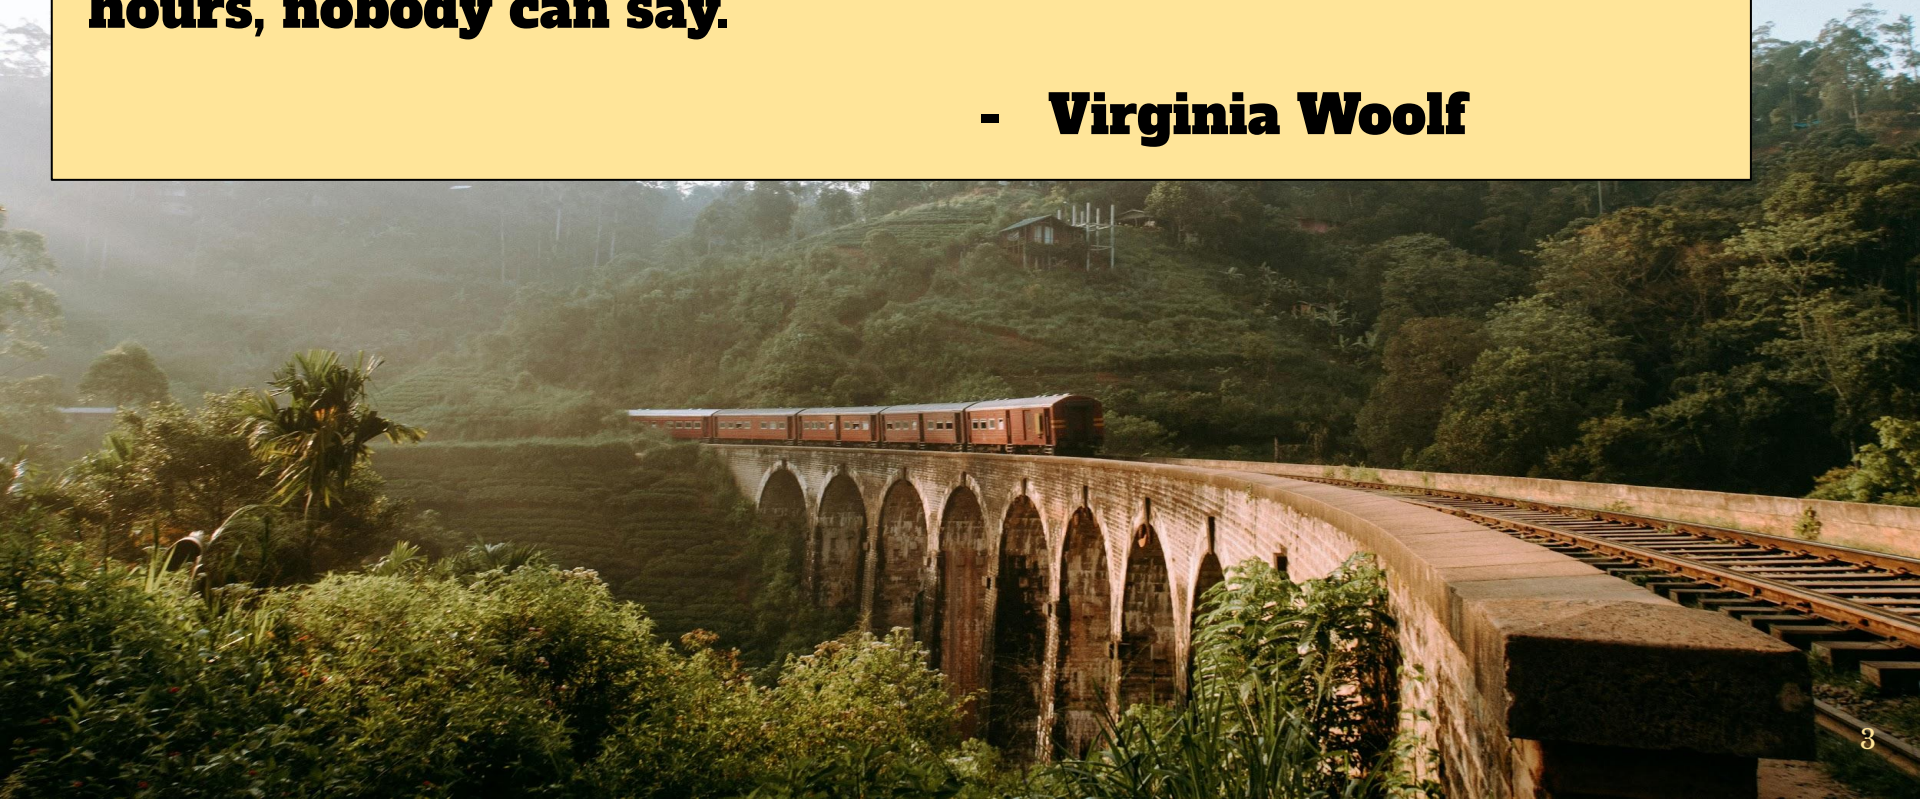

“Write what you know.”

- Mark Twain

“So long as you write what you wish to write, that is all that matters; and whether it matters for ages or only for hours, nobody can say.”

- Virginia Woolf

A detailed collage of vintage instruments and objects. In the foreground, a brass telescope with a chain lies on the left. Next to it is an ornate pocket watch with Roman numerals. To the right is a circular compass with a star-shaped needle. Further right is a large armillary sphere with zodiac signs like SCORPIO and SAGITTARIUS. In the background, a rotary telephone with a wooden handset is visible. The entire scene is set against a backdrop of old maps and various mechanical parts.

Story

Logline

A young inventor goes on a self-discovery journey after creating a magical instrument that comes to life.

Synopsis

Adelia is a young inventor who lives in a fantasy world inspired by Victorian Era London and Mexican Culture. Her dream is to officially join the League of Inventors, but her inventions so far are not enough. One day, after she builds a violin that comes to life, she goes on a journey to discover more about the world, her new friends, and herself.

How Do I Convey This?

- **By combining my life experiences with fantasy and adventure**

A photograph of the interior of a luxury train car. The scene is warmly lit, featuring dark wood paneling on the walls and ceiling. A large window on the left shows a blurred landscape. In the center, a small wooden table holds a teacup and saucer. To the right, a plush, tufted sofa is visible. The overall atmosphere is one of classic elegance and comfort.
